

## **We need your help!**

Every year the Yamhill Carlton Education Foundation awards scholarships to outstanding graduating seniors at YCHS. In 2021, the YCEF is awarding three scholarships to honor students who have different academic directions and goals.

One scholarship will be awarded for enrollment in a program leading to a career in The Arts, including fine arts, instrumental and vocal performance and the dramatic arts.

The second scholarship will be awarded for admission to a technical or vocational program. This may lead to careers in the trades, a medical degree or certification, or many other programs.

Our third senior scholarship will be awarded for strong academic performance during High School. Financial need will also be considered, but is not the sole criteria.

This year we can't hold our fun art-related community events! Until we can see you again, we need your donations to help fund these three scholarships.
